G6 Ai: Yellow

六年愛班：黃組

In Ai6 Yellow class, students presented their Unit 1 biographies to the class. They first practised with small groups to improve their pacing, voice clarity, and body language. Students were assessed on these criteria and given a final score.

在六愛黃組的課堂上，學生們向全班展示了他們的第一單元：傳記。他們首先以小組形式進行練習，來改善他們的說話速度、聲音清晰度和肢體語言。老師將根據這些標準評估總結，之後給予學生分數。

G6 Ren: Yellow

六年仁班：黃組

In Ren 6 yellow class, students learnt about making inferences. After watching short videos and reading a story, students used background information and text evidence to make inferences about it. This will help students think critically about a text and engage with it during class.

在六仁黃組的課堂上，學生們學習了推論。在觀看短片和閱讀故事後，學生運用背景資訊和文本證據對故事進行推論。這將有助於學生在課堂上對文本進行批判性思考並樂在其中。

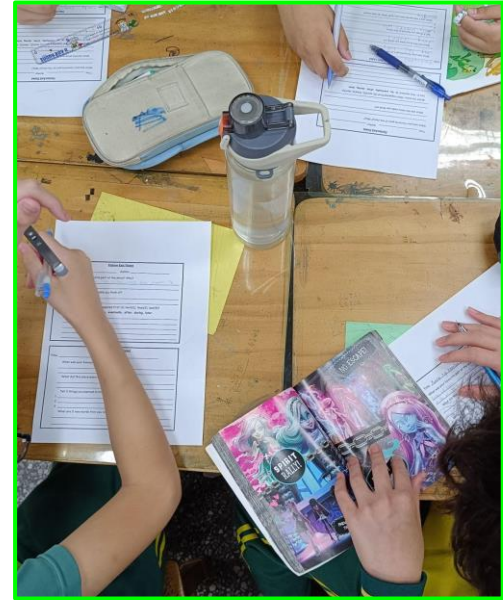

G6 Ai: Green

六年愛班：綠組

In G6 Ai Green class, students worked in small group centers. Students chose a fiction or non-fiction book from the class library. After reading for a period of time, they were tasked with writing about the book they read. While fiction books focused on retells, non-fiction books focused on information and vocabulary that was new to them.

在六愛綠組的課堂上，學生們以小組活動進行學習。學生從班級圖書館中選擇一本小說或非小說書籍。在閱讀一段時間後，他們的任務是寫下他們所讀的那本書裡的內容。小說的重點在於複述，而非小說書的重點則著重於他們尚未掌握的新資訊和新單字。

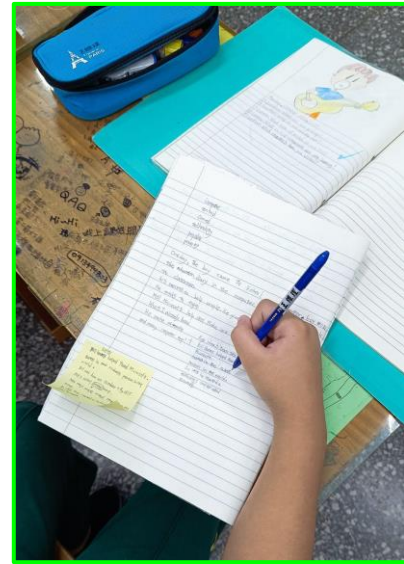

G6 Ren: Green

六年仁班：綠組

In G6 Ren green class, students practised contrasting various ideas using conjunctions. Using pieces of sentences, students put together a whole sentence using conjunctions such as "however", "though", and "yet". Using conjunctions to help contrast ideas is helpful for students to learn persuasive writing as well as organizing and expressing their thoughts.

在六仁綠組的課堂上，學生們練習使用連接詞對比各種想法。學生運用句子的片段，使用「然而」、「儘管」和「尚未」等連接詞組成一個完整的句子。使用連接詞來協助學生面對對比，讓他們在學習有說服力的寫作、組織以及表達自己的想法上更有幫助。

G6 Xin: Yellow

In the Xin 6 yellow class last week, students learned how to enhance their descriptive writing skills. We also began to focus on education, including that of important figures such as Bill Gates. They will later share their opinions about the people that they are learning about throughout the unit.

在六信黃組上週的課堂上，學生們學習如何加強他們書寫描述的技能。我們也開始關注教育，包括其中的重要人物如比爾蓋茲。他們之後會分享他們對本章節裡所有人物的想法。

G6 Xin: Green

In the Xin 6 green class last week, students practised using contrasting conjunctions. Using sentence fragments, students pieced together a whole sentence using conjunctions such as "however", "though", and "yet". This will be useful when students practising comparing and contrasting different people they will learn about this unit.

在六信綠組上週的課堂上，學生們練習了對比連接詞。運用句子的片段，學生使用連接詞諸如「雖然」、「儘管」和「尚未」拼湊出一個完整的句子。這對學生們在練習使用對比和對照本章節裡的不同人物上有所幫助。
